TOWARD THE COMMON HOME

Fraternity and worldwide sisterhood

Dear sisters/laity,

We launch a proposal of awareness, education/formation and tools that helps to live the commitment of JPIC from ***Laudato Si*** y ***Fratelli tutti***, as ways and means to continue the commitments assumed by XVII GC.

RECIPIENTS:

- ***Sisters and laity with whom we prepare.***

GENERAL OBJECTIVE:

Motivating a change in the life style that contributes to a “Global Ecology” sets way towards common home.

Specific Objective:

Making a reality of the Prophectic and transformativ commitment of JPIC proposed by XVII GC.

- *Welcoming the invitation of the special anniversary of ***Laudato Sí*** and ***de Fratelli tutti****

EXPECTED RESULTS OF EACH SET OBJECTIVE:

- Tender and ecologically committed people obtain a greater awareness through education/formation.
- That each community, laity and Apostolic center make their commitment for 7 years on behalf of the proposal of the special anniversary of ***Laudato Sí***.
- That our transformed lifestyle contributes to the sustainability of creation.
- Greater awareness of our condition as sisters and brothers for a transformative world.
