

Religiose di Maria Immacolata Missionarie Claretiane

General Government

PMA 27/2020

To the Superiors and Prefects of Major entity

Dear sisters,

just a few lines to accompany the sending of the "**CLARETIAN Contest 2020**" with the slogan: **ONE FAMILY AND ONE HEART FOR THE MISSION** that in the missionary October calendar is planned to be launched on day one. The contest is designed for the students of our educational centres and for children, teenagers and youth of other pastorals groups

There are two attachments:

1. **Motivation to the Contest** in Word format so that you can insert in paragraph 3, "**Contest rules**", the e-mail address to which the local coordinators will send the participants' works. Once you write the e-mail I invite you to convert the document into PDF so that those who receive it can use the **link** in paragraph 3, point 5 "**Registration and presentation**".
2. **Poster of the contest**, realized with the CANVA program. You will receive an e-mail to access the poster in case you want to make any changes. It is important to work on a copy and not on the original so that changes are personalised to the entity. In case of difficulty, please write to Miriam at miriam.dilello@claretianas.org.

Once again I am grateful for the collaboration offered by sisters and laity in the preparation of the "CLARETIANS Contest 2020" and from now on, the collaboration of sisters and laity for the realization of this competition. **It is a special initiative in this jubilee year.** I hope that the material can reach as soon as possible the educational centres and the communities that animate various pastoral groups in the age group proposed for the competition.

May the Lord continue to open us to the creativity of the Spirit to announce with our missionary life the Good News of the Kingdom.

A fraternal greeting

Rome, 1st October 2020.

Saint Teresa of the Child Jesus, Patronnes of the Missions

Priscilla Latela
General Prefect of Apostolic Mission
