

Rome, 30th January, 2023

Dear sisters,

We wish you all find yourself well in the beginning of this New Year.

As you will remember we had scheduled a meeting of "Deep into Sea" for February 4th. Since we are all involved in the evaluation phase and we are carrying out the work for the XVIII General Chapter, with the intention of not overloading anyone, we have thought of postponing this meeting to **Saturday, May 6th**.

The meeting on May 6 will have the same objective of delving into the theme of the year, "Into deep Sea" of our personal reality and continuing to grow from our vulnerability and wounds. Being able to recognize them, name them and make a process of reconciliation with ourselves and with others that is reflected in our relationship with God.

The format of the day will be little different from the previous ones. We will have the presence of Melba Neris, Religious of Daughters of Jesus, Dominican. She has a degree in Clinical Psychology, with a Master's in Mental Health psychoanalysis and social bond itinerary and a diploma in prevention of sexual abuse. She is currently doing a Master's degree at the University of Comillas on the human condition and transcendence. In addition, she has her experience in initial formation, the animation of psycho-spiritual workshops, Ignatian Spiritual Exercises, psychological and spiritual accompaniment. From her knowledge and experience, Melba will illuminate the subject and offer us a material to be able to work personally.

We encourage you to actively participate as you are doing so far. In general, the echoes that you send us are positive, and the process is helping. Let's try to keep up the rhythm because with perseverance and confidence we are achieving in ourselves and in our environment the transformation that we so desire, as a fruit of grace for each one of us.

A transformation that will only be possible if it emerges from within with "personal" work and "community" work. All for the good of the mission to which we are sent.

We will remind you of day of the encounter. Meanwhile keep the date of Saturday May 6th.

We are waiting for you with sisterly love!
